Together with the volunteers, we have helped put together care packs to be distributed to all HT frontliners to thank them for their dedication and sacrifices in the battle against Covid-19. Each care pack contains:

1. Reusable masks from Temasek Foundation
2. Hand sanitiser
3. Hand cream
4. A pack of wet wipes
5. SG United button badge
6. Paper insert with thank you message from HTVN

A big THANK YOU to all frontliners!
