MEDIA RELEASE

***FOR IMMEDIATE RELEASE***

1. The Singapore Chinese Chamber of Commerce & Industry (SCCCI) congratulates Mr Lawrence Wong as Singapore's fourth Prime Minister. We look forward to supporting and working closely with PM Wong and his team to advance the transformation of Singapore's economy and drive enterprise development as we progress towards a future-ready economy.
2. As Minister for Finance since 2021, PM Wong has introduced Budget measures that are people-centric, pro-business and facilitate good governance. These successive Budgets have laid a firm foundation for Singapore's economic growth, enabled Singapore to emerge stronger from the COVID-19 crisis, spur economic transformation, as well as helping businesses to address nearer-term challenges. In addition, through the Forward SG exercise led by PM Wong, a new social compact has taken shape which embraces inclusiveness and a shared responsibility for our future. SCCCI will play our part to rally businesses to foster an inclusive society.
3. SCCCI values PM Wong's consultative approach, proactive engagement of the business community to seek out perspectives and feedback from businesses with a view to formulate effective policies to drive economic and enterprise development that are aligned to the needs of businesses.

4. SCCCI also congratulates Minister Gan Kim Yong and Minister of State (MOS) Low Yen Ling on their respective new appointments as Deputy Prime Minister and Senior Minister of State. DPM Gan has a deep understanding of business needs, a wealth of experience in international trade and economics, and is focused on driving economic transformation and identifying new growth opportunities to propel Singapore's economy into the next lap. We are honored that SMS Low is Advisor to the Trade Association Committee (TACOM) that SCCCI initiated in 2016 as a platform to facilitate industry transformation, develop new industry capabilities and promote cross-industry collaboration. SMS Low has given valuable guidance and devoted significant effort to help local trade associations to transform, innovate and internationalise.
